

BOTANICAL GARDEN HOME WITH POOL

<https://realestate.earth>

Colón Island, Bocas del Toro Province, Panama

CUSTOM HOME AND POOL IN A BOTANICAL GARDEN This incredible property offers an ultra tranquility close to town. Gone are the days of tourists being led through Finca Mono's trails by a botanist teacher and conservationist who had reforested the massive hill top farm. What once was Bocas del Toro's most popular interpretive nature tour [...]

Neighborhood

Description: Colón Island (Isla Colón) is the main island in the Bocas del Toro Archipelago, located in the Bocas del Toro Province of Panama. It's known for its vibrant Caribbean atmosphere, white-sand beaches, lush tropical forests, and lively town of Bocas del Toro, which serves as the provincial capital. The island is a popular tourist destination, offering surfing, snorkeling, diving, and eco-tourism adventures, as well as a range of restaurants, bars, and accommodations.
